

Amadeus Property Management Advanced

Comprehensive property management with advanced distribution integration for independent hotels and midsize chains.

Amadeus Property Management – Advanced allows independent and midchain hotels to gain the best of both worlds from a single solution – comprehensive property management capabilities and advanced distribution integrations to drive greater demand, occupancy, and revenue.

Support Across the Technology Ecosystem to improve staff efficiency and guest satisfaction

Amadeus Property Management - Advanced integrates with 350+ partner systems to fully serve the on-property and distribution needs of independent and midchain hotels. With our mature integration portfolio, you will be empowered to leverage new technologies to elevate guest service delivery and increase the value of your brand. Amadeus Property Management - Advanced is also connected to TravelClick's iHotelier, making it possible to sell your property throughout the entire global Travel Agent marketplace.

Full integration with the Amadeus and TravelClick solution portfolio

Reduce the management burden and work with a single vendor through complete integration to our comprehensive portfolio of solutions:

- *Amadeus Sales & Event Management - Advanced
- *Amadeus Service Optimization - HotSOS
- *TravelClick iHotelier
- *TravelClick Guest Management Solutions (GMS)
- *TravelClick Demand360

Key Benefits

- _ Enjoy comprehensive property management and advanced distribution functionality from a single solution
 - _ Elevate service delivery and increase brand value with integrations to more than 350 partner systems
 - _ Expand distribution reach and drive demand across global OTAs and major GDS' through Amadeus' lightweight RezExchange distribution module or comprehensive iHotelier CRS
 - _ Simplify and consolidate solution management through complete integration with the Amadeus and TravelClick portfolio of solutions
 - _ Enhance productivity and speed of lead distribution with built-in sales automation functions
-

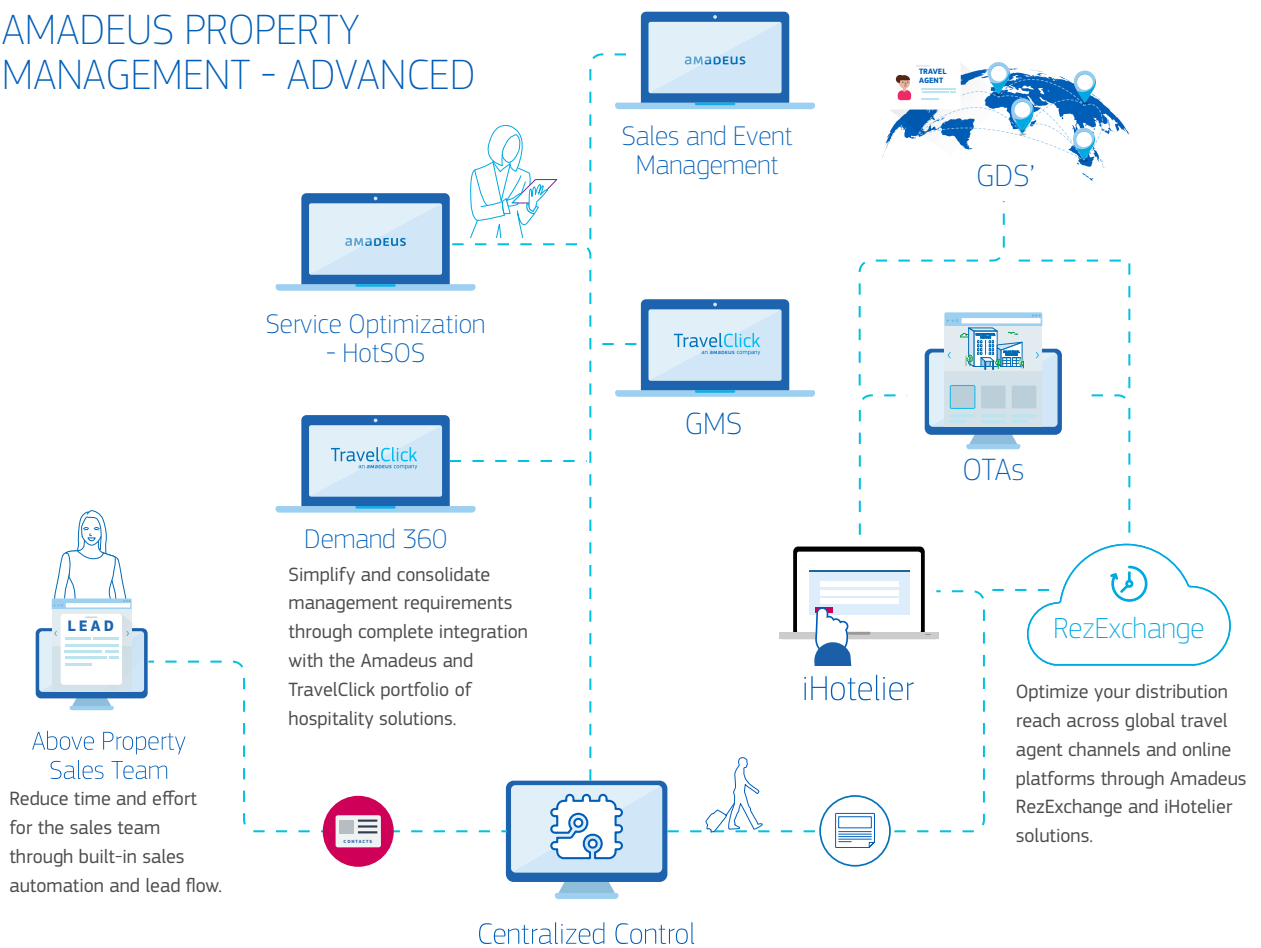

Comprehensive distribution capabilities to gain control over your external channels

Amadeus Property Management - Advanced is perfectly suited for independent hotels and midsize chains who want to centralize their distribution operations. Connect your properties across the OTA marketplace and major GDS's using our lightweight, simple-to-use channel distribution module, RezExchange, or our comprehensive iHotelier CRS.

Automated Sales Processes to give your salesforce more control

Consolidating sales account management through central sales and shared contact and lead management reduces time and effort for your sales team. Built-in sales automation features allow the transfer and flow of leads to be distributed to the properties and sales managers without human intervention, resulting in productivity improvements.
