

Signed Faster. Paid Faster.

Sertifi for Amadeus Sales and Event Management Advanced

Sertifi for Amadeus allows users to send and execute contracts and payment all within the sales and catering platform. With the integration, sending payment and eSignature requests will be quick and painless, taking only a few minutes. Sertifi for Amadeus Sales and Event Management Advanced will come pre-installed. If interested, contact your Amadeus sales rep today.

How can I use Sertifi for Amadeus Sales and Event Management Advanced?

- _ To collect solely signed contracts faster with Sertifi Closing Pro
- _ To collect signed contracts and/or guest payments online with Sertifi Closing Pro+

What are the Benefits of Using the Integration?

Recognize Revenue Quickly – capture payments online within minutes

Enhance Security and Compliance - eliminate dangerous paper authorization forms and lower your risk of a costly data breach

Go Completely Paperless – security and convenience for your guests and employees

Close More Deals Faster – speed up the sales cycle by more than 90%

Save Time and Money – more time for revenue generating activities

“From a revenue perspective, we have greater visibility because we’re getting those customer payments in right away!”

Just a Few Using the Integration:

Let's
shape the future
hospitality
