Welcome to the new iHotelier® Suite

Build your own suite of solutions

Want to drive more direct bookings? Dominate Google's first page? Perhaps it's loyalty you're after. Or gaining the visibility needed to succeed in today's crowded online marketplace.

Introducing the **industry's newest and most powerful build-your-own set of solutions** that allows you to address your most pressing challenges, while focusing on your grandest goals of tomorrow.

Simply start with iHotelier and build your own suite from there. Just imagine what you can do when true innovation meets your hotel's drive for excellence.

**And the best part?
It's all personalized for you.**

The latest innovation enables you to build your own suite of solutions to deliver everything your hotel needs and nothing you don't in just **3 easy steps.**

Step **1**

Start with iHotelier, the industry's leading CRS and booking engine, to:

- ✓ **Drive more bookings**
Increase direct bookings and reduce reliance on OTAs and third parties
- ✓ **Maximize reservations**
Reach more potential guests with visibility across all the right channels
- ✓ **Boost hotel revenue**
Grow revenue potential with highly targeted promotions that take minutes to create, along with reporting to track performance.

Step

2

Identify your top goals or most pressing challenges:

- Increase **visibility across channels**
- Generate **more organic traffic**
- Drive **profitable demand**
- Gain a **seamless web to booking experience to maximize conversions**
- Personalize **the guest experience**
- Increase **Guest Loyalty**
- Remove **stress from staff and maximize revenue**

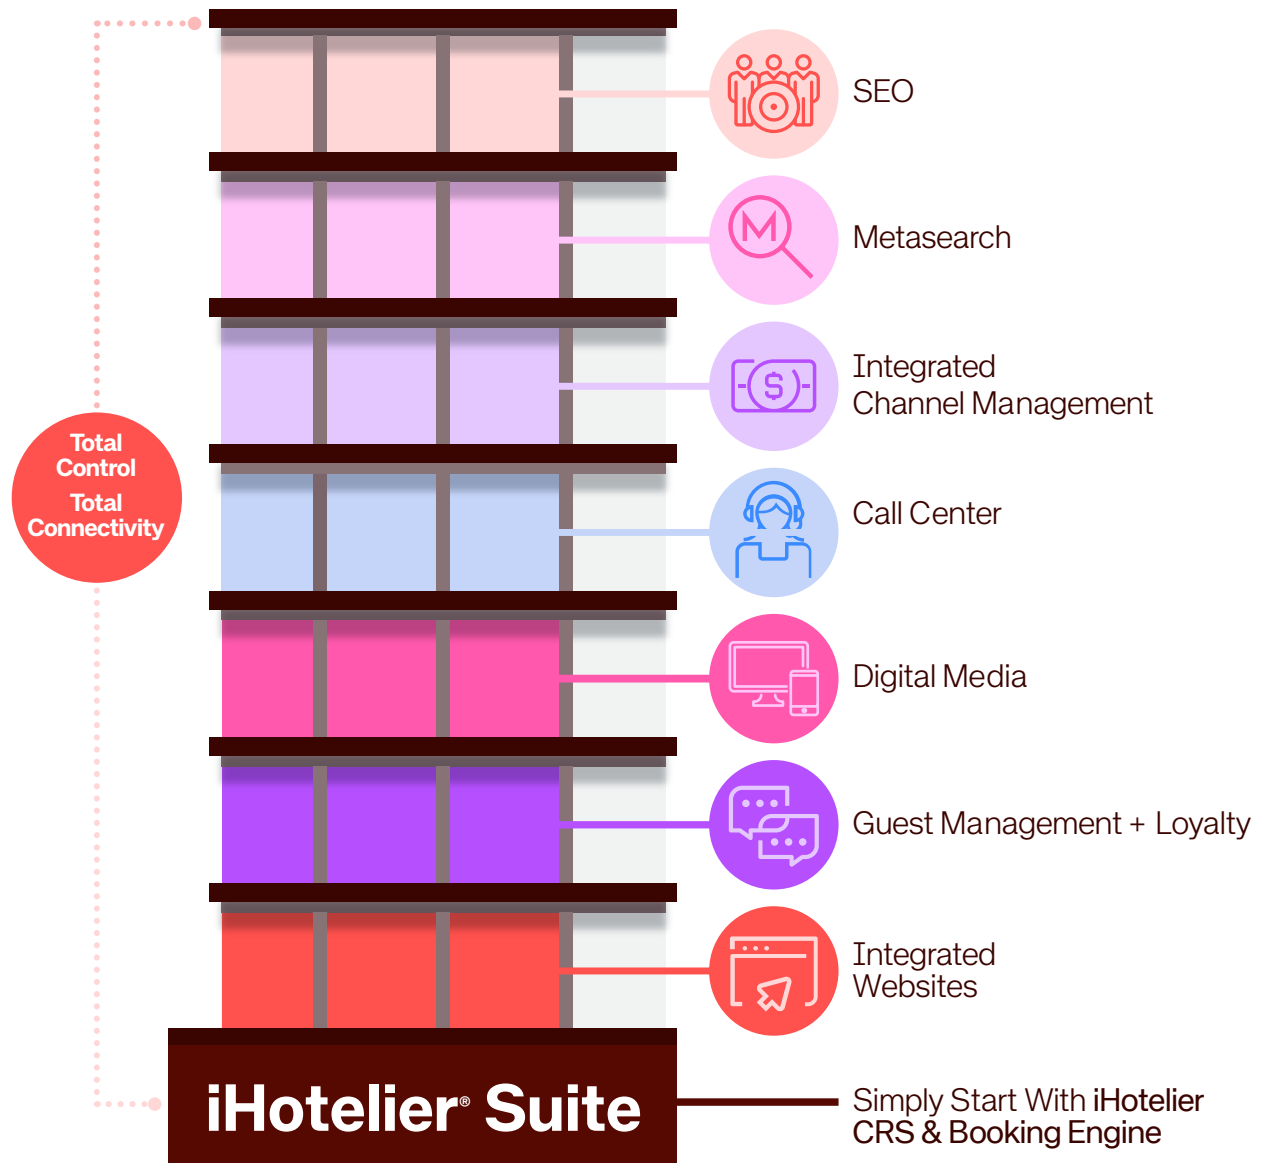

Step

3

Get ready to create more personalized experiences that increase revenue, conversion rates, and guest satisfaction, while delivering a seamless experience throughout the booking journey.
